The Jacksonville, Fla.-based **Edward N. and Della L. Thome Memorial Foundation** has made a \$1 million grant to **Presbyterian Villages of Michigan**.

The two-year grant will fund the development and launch of an initiative that will provide diverse services such as housing, medical coordination and social, educational and fitness activities to seniors living in Presbyterian Villages communities and surrounding neighborhoods.

Southfield-based Presbyterian Villages is working with the **Luella Hannan Memorial Foundation** in Detroit to design the initiative enabling seniors to live in the setting of their choice, Presbyterian Villages said in a release.

The Edward N. and Della L. Thome Memorial Foundation provides support for the dignified treatment of older adults and medical research on diseases and disorders affecting them.
