Village Administrator

Well October has arrived with the beautiful colors of the leaves and wonderful weather for the next several weeks. So enjoy and again I cannot stress enough about if the weather becomes damp please be careful when walking or driving. Leaves can be very dangerous when wet.

It is getting close to election time in the city of Detroit so you are going to be blitzed with candidates asking to visit and the various organizations that meet at Brush Park Manor having the candidates come in to speak with you. Remember it does not matter how often they visit us you can always hear or learn something new about the candidate. Also, Presbyterian Villages of Michigan does not endorse any candidates.

Please continue to keep Del-Diego Manning in your prayers for his recovery. If you have cards please bring them to the office and I will mail them each week to his home. I know he appreciates your sending prayers and well wishes his way. We have to thank Mr. Mount for a wonderful job being done during Mr. Manning's absence. Thank you to the maintenance staff Mark and Steve from Redford for their support also. Let us also continue to pray for those cities that have been devastated by hurricanes, storms, and the tragedy in Las Vegas.

For those who have not had an opportunity to visit Little Caesars Arena, it is a beautiful new venue for sports. If another chance comes along where you will be able to visit please do so I am quite sure you will enjoy this new sports ground. Several of the residents visited and they will tell you it was an experience they will always remember.

Remember to get your Flu and Pneumonia shots as it is being stressed by doctors and the health department. DMC no longer comes to Brush Park Manor providing you with these shots so either your doctor or one of the pharmacies will provide you with what you need to fight off illness.

We must say thank you to Wayne County Executive Warren Evans for his donation of tickets for the Universal Circus held at Chene Park and the wonderful health event that was presented at the Northwest Activity Center. Thank you to Commissioner Jewel Ware for Senior Appreciation Day Luncheon and providing the transportation for those who attended.

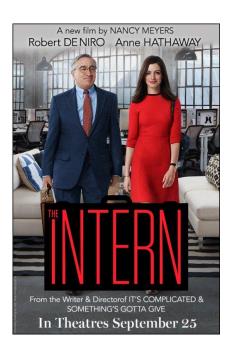

Look for more exciting events with the development of the Midtown Area where you can be a part of this great progress in the community.

You never really leave a place you love. Part of it you take with you, leaving a part of yourself behind.

A retired 70-year-old widower, Ben (played by Robert De Niro), is bored with retired life. He applies to a be a senior intern at an online fashion retailer and gets the position. The founder of the company is Jules Ostin (Anne Hathaway), a tireless, driven, demanding, dynamic workaholic. Ben is made her intern, but this is a nominal role - she doesn't intend to give him work and it is just window dressing. However, Ben proves to be quite useful and, more than that, a source of support and wisdom. Written by grantss www.imdb

National Check Your Meds Day

This year on **October 21**st the National Community Pharmacists Association, along with their sponsor Consumer Reports, will be rolling out a brand-new wellness holiday, **National Check Your Meds Day**. On this day consumers are encouraged to bring their medications and supplements to their local pharmacies for "brown bag" medication reviews.

This campaign comes at a perfect time for Americans. According to a survey done in April 2017 by Consumer Reports, more than half of the American adult population takes a prescription medication daily. More importantly however, those individuals who are taking prescription medications are prescribed on average not just one, but four unique medications. While many prescription medications are lifesaving, there are potential complications for taking multiple medications. These complications include upset stomachs, headaches, postural hypotension, dizziness, drowsiness, blurred vision, and confusion.

The best way to protect yourself from medication complications is to have an honest conversation with your pharmacist about what you are taking. If you want to take part in **National Check Your Meds Day**, on **October 21**st gather all of the medications and supplement bottles you take, prescription or otherwise, put them in a bag or container and head to your local pharmacy. Ask to speak with the pharmacist for a medication review and give the pharmacist your bag of medications.

If you can't make it out on **October 21**st don't worry, this is a service that most major pharmacies will perform any day.

Announcements

Please place all trash and rubbish in tightly closed bags before throwing down the trash chute. Sending open garbage down trash chute causes mice and other pest along with odors in maintenance area.

Rubbish must not be placed on floors in refuse rooms it must be thrown down the chute or if too large bring it down to the first floor refuse room.

Please help keep our laundry rooms clean by wiping off washers and dryers. Lint traps must be cleaned after each use. Other residents do not want to come in and clean behind you. If your clothes are left in the washing machines or dryers they will be disposed of within twenty-four hours.

Keep Refuse Doors Closed!
