NOVEMBER 2023

Administrator's Corner

A big thank you to all that donated items for the Patterson Elementary goodie bags. We were able to stuff each goodie bag with lots of items! I am looking forward to the magic show and seeing all the kiddos in costumes on Halloween!

We completed our unannounced October fire drill and I am happy to report the majority of residents that were home participated in the drill as required. Also, the majority of residents knew where they should go and what they should do in the event of a real fire.

Instead of a fundraiser this month, we wanted to have a dessert gathering. This will be November 9th at 1pm in the Manor Community Room. Please bring a dessert to share, whether it be store bought or homemade. We will provide coffee & water. Please sign up in the lobby.

Thanksgiving is right around the corner and we wanted to take a moment to reflect and share things we are thankful for in our lives. We have paper leaves in the lobby and we would like you to take a moment to write down something you are most thankful for this year and hang it on the window above the coffee area once completed.

We had a nice turnout for this month's Administrator\Resident meeting. If you were unable to attend please see the insert in the newsletter with minutes from this month's meeting.

Please feel free to stop by my office or give me a call with any questions, suggestions or concerns you may have.

NOVEMBER'S BOOK

Big Stone Gap– Adriana Trigiani

It's 1978, & Ave Maria Mulligan is the 35 year old self-proclaimed spinster of Big Stone Gap, a sleepy hamlet in the Blue Ridge Mountains of Virginia. She's also the local pharmacist, the co-captain of the Rescue Squad, & the director of The Trail of the Lonesome Pine, the town's long-running Outdoor Drama. Ave Maria is content with her life until, one fateful day, her past opens wide with the revelation of a long-buried secret that will alter the course of her life. Before she knows it, Ave Maria is fielding marriage proposals, trying to claim her rightful inheritance, & planning the trip of a lifetime to Italy—one that will change her view of the world & her own place in it forever.

“This act of kindness was done by a resident who opened up her heart and home to a doggie that lost his mommy.”

“A very nice gentleman in my building was very kind and had an end of summer BBQ for us. Thank you.”
