Administrator News

Well it looks as though winter has finally arrived!

When we receive snow, maintenance does a great job of plowing and salting. However, if you see any ice please be sure to call the office so maintenance can address this as soon as possible.

As you all know, twice a year we have practice fire drills to make sure that in an event of an actual fire our residents are as prepared as they possibly can be. With that being said, if you watch the news it is hard to miss the active shooter stories. We hope that nothing like this would ever find its way to anyone we know, let alone here at Holly Woodlands. We want to make sure that you are as prepared as possible if anything like this were to happen in your presence, whether here or elsewhere.

We have invited the Oakland County Sheriff's Department to our village for an Active Shooter Informational-Preparedness Seminar. This will be held in the Manor Community Room on February 27th at 1pm. We highly recommend that all attend. Coffee and cookies will be served. Please be sure to sign up in the lobby.

If you were unable to attend January's Administrator-Resident Meeting, please see the minutes from this meeting inside this month's newsletter. I look forward to seeing you all at this month's meeting on February 20th at 11am in the Manor Community Room.

Please feel free to call me or stop by with any comments, suggestions, or concerns.
